

**CITY OF BELL GARDENS  
SUCCESSOR AGENCY TO THE COMMUNITY  
DEVELOPMENT COMMISSION  
MONDAY, MAY 11, 2015, 6:00 P.M.  
MINUTES**

**LOCATION: CITY COUNCIL CHAMBER, 7100 GARFIELD AVENUE, BELL GARDENS, CA**

Pursuant to the Americans with Disabilities Act, persons with a disability who require a disability-related modification or accommodation in order to participate in a meeting, including auxiliary aids or services, may request such modification or accommodation from the Successor Agency Secretary at (562) 806-7706. Notification 48 business hours prior to the meeting will enable the City to make reasonable arrangements to assure accessibility to the meeting.

**CALL TO ORDER** – Chair Rodriguez called the meeting to order at 6:02 p.m.

**INVOCATION** – was led by Pastor Richard Jarman from Touch Point Church.

**PLEDGE OF ALLEGIANCE** – was led by John Oropeza, Assistant City Manager.

**ROLL CALL OF SUCCESSOR AGENCY TO THE COMMUNITY DEVELOPMENT  
COMMISSION MEMBERS**

Present: Flores, Mendoza, Pulido, Aceituno, Rodriguez  
Absent: None

**PUBLIC COMMENTS ON AGENDA ITEMS ONLY**

No comments.

**CONSENT CALENDAR (ITEM No. 1-2)**

**1. MINUTES**

April 27, 2015 – Regular Meeting Minutes

**Recommendation:** It is staff's recommendation that the Successor Agency to the Community Development Commission approve the minutes for the Regular Successor Agency Meeting of April 27, 2015.

A motion was made by Mayor Pro Tem Aceituno and seconded by Councilmember Mendoza to approve the minutes for the Regular Successor Agency meetings of April 27, 2015. Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez  
NOES: None  
ABSENT: None

**2. WARRANT REGISTERS AND WIRE TRANSFERS**

**Recommendation:** It is staff's recommendation that the Successor Agency receive and file the following transactions:

Warrant register dated	03/31/15	Check #s	12731-12734	\$	4,122.37
Warrant register dated	04/07/15	Check #s	12735-12737	\$	7,380.55
			Total	\$	11,502.92

A motion was made by Mayor Pro Tem Aceituno and seconded by Councilmember Mendoza to receive and file all Warrant Registers and Wire Transfers. Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez

**CONSENT CALENDAR (Item No. 1 – 10)**

**1. GENERAL MOTION TO READ ALL ORDINANCES BY TITLE ONLY**

In order to expedite the conduct of business at Council meetings, California State Law (California Government Code Section 36934) allows Ordinances to be read by title if a majority of the legislative body supports the motion to waive the full reading.

**Recommendation:** It is staff’s recommendation that the City Council approve a general motion to waive full reading and approve Ordinances by title only pursuant to California Government Code Section 36934.

A motion was made by Councilmember Flores and seconded by Mayor Rodriguez to read all Ordinances by title only and waive the full reading. Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez

**5. APPROVAL OF PROFESSIONAL SERVICES AGREEMENT FOR PLANNING CONSULTANT**

In August 2013, the City entered into a Professional Services Agreement with Linn & Associates for planning consulting services on a part-time basis. The services of Linn & Associates were required due to budget constraints mandating a freeze of all open positions in the Community Development Department, which affected the open position of Assistant Planner. The existing Professional Services Agreement with Linn & Associates is due to expire in June 2015. The current City Budget constraints have again mandated that departments continue the freeze of all open positions. While the Community Development Department is faced with increasing requests for planning services, it is cognizant of the City's continued budget challenges. As such, we recommend hiring a planning consultant to provide those services on a part-time basis. A part-time planning consultant will save the City approximately 50% of the total cost of a full-time Assistant Planner. In April 2015, Community Development staff requested proposals from Linn & Associates, Romo Planning Group, Inc., and Rocio Lopez, Consulting Planner for part-time planning consulting services. The proposed scope of services offered by Romo Planning Group, Inc. and Rocio Lopez Consulting Planner were comparable to those offered by Linn & Associates, but at a higher cost.

**Recommendation:** It is staff's recommendation that the City Council approve Resolution No. 2015-33, approving a Professional Services Agreement with Linn & Associates to provide planning services.

A motion was made by Councilmember Flores and seconded by Mayor Rodriguez to approve Resolution No. 2015-33, approving a Professional Services Agreement with Linn & Associates to provide planning services. Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez  
NOES: None

**6. ACQUISITION OF NEW SERVERS FOR NETWORK UPGRADE**

During this current fiscal year, the police department has been working diligently to upgrade its network infrastructure. Part of that process has been to replace servers and storage devices that are no longer under warranty, and/or do not provide adequate storage space to handle the workload demands of the police department's various systems. The City Council recently approved a new unified Video Camera Surveillance System to replace an aging and deficient system. The existing storage for our camera system is not adequate to provide the necessary storage nor does it have the required specifications to operate the Video Management System. Therefore, upgrades are needed to accommodate this system. In consultation with our I.T. Department and the vendor awarded the contract for the new video system, the police department has determined that Hewlett Packard (HP) equipment will provide the most reliable service. The police department conducted an informal bid process for this project. Quotes for

Hewlett Packard servers, operating software, and three year warranties were obtained from three vendors: LAN WAN Enterprise, CDW-G, and PCM-G.

	LAN WAN, Enterprises	CDW-G	PCM-G
HP Storage Server	\$14,076.17	\$15,089.80	\$15,400.74
HP VMS Server	\$4,179.26	\$4,476.61	\$5,785.76
<b>Total:</b>	<b>\$18,255.43</b>	\$19,566.41	\$21,186.50

**Recommendation:** It is staff's recommendation that the City Council adopt Resolution No. 2015-36, authorizing the purchase of two Hewlett Packard servers and installation from Lan Wan Enterprises for \$18,255.93 as part of the upgrades to the Police Department network infrastructure.

Mayor Pro Tem Aceituno pulled Consent Calendar Item No. 6 for separate consideration.

Mayor Pro Tem Aceituno inquired why this item was not brought before the City Council at the same time as the agreement for the wireless video monitoring and surveillance system.

City Manager Wagner explained that the original company that provided the proposal for the security camera system, which the Council approved, does not offer the servers and the City chose to bid separately to obtain a better price rather than have the company provide the servers. In addition, these servers will not be entirely used for the camera surveillance system. The Information Technology (IT) Department is continually upgrading the system as necessary and these two servers will be able to handle the additional video for the security system. It is required by law to maintain at least one year's worth of video in storage. These servers would be paid with Asset Forfeiture funds, not the General Fund, and are part of overall upgrade to the IT system.

Mayor Pro Tem Aceituno inquired if any of the current servers will be considered surplus.

City Manager Wagner advised that there will be no surplus, just an expansion of the City's state of the art communication system.

A motion was made by Councilmember Flores and seconded by Mayor Rodriguez to adopt Resolution No. 2015-36, authorizing the purchase of two Hewlett Packard servers and installation from Lan Wan Enterprises for \$18,255.93 as part of the upgrades to the Police Department network infrastructure. Motion carried by a vote of 5-0.

**7. REQUEST TO SURPLUS CITY VEHICLES**

The Police Department has several vehicles that are no longer usable for patrol operations or other department uses. They have deteriorated to the point that require prohibitive maintenance costs to keep them operational, yet not guarantee extended use of the vehicle given their mileage and/or mechanical condition. The Police Department is requesting these vehicles be declared surplus and authorized for sale at auction. Each vehicle is identified below by its internal police department unit number, year, make, model, and license plate number.

- Unit 157 - 1995 Nissan Quest, Lic# 3JLK632
- Unit 182 - 2000 Gold Ford Taurus, Lic# 286594
- Unit 181 - 2000 Red Ford Taurus, Lic# 286592
- Unit 199 - 2002 Nissan Maxima, Lic#ASK987
- Unit 244 - 2005 Acura TL, Lic#1142741
- Patrol Unit 216 - 2008 Ford Crown Vic, Lic# 1067140

**Recommendation:** It is recommended that the City Council adopt Resolution No. 2015-37, declaring the listed vehicles as surplus property, and authorize the police department to have them sold at auction. These vehicles were taken out of service from the police department within the last six months.

A motion was made by Councilmember Flores and seconded by Mayor Rodriguez to adopt Resolution No. 2015-37, declaring the listed vehicles as surplus property, and authorize the police department to have them sold at auction. These vehicles were taken out of service from the police department within the last six months. Motion carried by a vote of 5-0.

**8. STREET SWEEPING SERVICES AGREEMENT EXTENSION WITH NATIONWIDE ENVIRONMENTAL SERVICES, INC./SEVENTH MODIFICATION RESOLUTION NO. 2015-34**

The City of Bell Gardens (City) has contracted with Nationwide Environmental Services, Inc. (NES) for street sweeping services since December 10, 2001. NES has provided exceptional services in helping keep the City's streets, alley and thoroughfares clean. The aggressive street sweeping program the City has in place in which NES implements, helps in adhering to the Storm water Mandates and requirements of its MS4 Permit with the State of California by minimizing litter and debris flowing into storm drains regional area waterways. The original service agreement has been modified numerous times. These amendments to the original service agreement were for annual compensation increases in some instances, and included term extensions in others. As a result of numerous meetings, discussions and negotiations between NES and the City, staff is providing the following recommendations for City Council consideration to extend the original street sweeping agreement with NES and provide a considerable cost savings through approval of a seventh modification. The following terms are the key amendments to consider:

- 15 year Rolling Term which commences retroactive to April 1, 2015.
- A 75% reduction of original five year increases to existing Agreement as an incentive to extend term of the contract from 5 year rolling contract to a 15 year rolling contract. This includes reducing a 20% increase to 5% over the course of 5 years, from April 1, 2015 to April 1, 2019; instead of annual 4% increases each year, there will be 1% increases. This reduction results in an approximate future cost savings to the City of at least \$80,000. (If approved, payments will be retroactively adjusted to the 4/1/15 date).
- CPI (Consumer Price Index) annual increases to be waived for 5 years; April 1, 2015 through April 1, 2019. This reduction is difficult to calculate due to the unpredictable nature of each year's CPI. However, based on average CPI increases in our region over the last decade, it is reasonable to project an additional savings of several thousand dollars over the next 5 years as well.

- *Previously Accrued CPI:* There is an accrued amount of CPI increases over a period of 7 years (2007 to 2014) in the amount of \$1,153.16 that will be added to the *base rate* on a monthly basis. Once again, this CPI rate will not increase over the next 5 years until April 1, 2020, when CPI increases will then start accruing.
- All other terms and conditions in original agreement to remain unchanged.

**Recommendation:** It is staff's recommendation that the City Council adopt Resolution No. 2015-34, approving Seventh Modification to Street Sweeping Services Agreement with Nationwide Environmental Services.

A motion was made by Councilmember Flores and seconded by Mayor Rodriguez to adopt Resolution No. 2015-34, approving Seventh Modification to Street Sweeping Services Agreement with Nationwide Environmental Services. Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez

**9. APPROVAL OF PLANS AND SPECIFICATIONS AND AUTHORIZATION TO SOLICIT BIDS FOR THE POLICE DEPARTMENT LOBBY, INTERVIEW ROOM, AND FLOORING REHABILITATION**

The Fiscal Year (FY) 2014-2015 Capital Improvement Program (CIP) budget includes \$100,000 funding for the completion of the Police Department Lobby, Interview Room and Flooring Rehabilitation. The engineers have completed the design and construction documents for this project. The scope of work consists of the replacement of tile floors and existing alcove within the Lobby Area, upgrade of reception counter; conversion of men's restroom to an interview room, replacement of carpeting in main hallways, reception room and records offices with laminated floor covering and other items, including repainting effected rooms as needed and as indicated in the plans and specifications. The construction duration for this project is specified at 30 working days. The specifications provide bid proposals to convert the men's restroom to an interview room, rehabilitate the flooring in the Police Department lobby, main hallways and the Records Offices, and a bid alternative to upgrade the reception counter. The engineers cost estimate including a 5% contingency and alternate bid item is \$100,000. Pursuant to Article 5 Section 15061 of the CEQA Guidelines the proposed project has been reviewed to determine whether it is exempt from CEQA. The proposed project will not involve or affect any sensitive environments or habitats, scenic resources, historical buildings, historic resources or any hazardous waste sites. Therefore, under Article 5 Section 15061(c1) it has been determined that the project is exempt from CEQA pursuant to categorical exemptions. As a result, a Notice of Exemption will be filed/recorded with the Los Angeles County Clerk. Upon authorization by the City Council, staff will proceed with the bid phase of the project. Below is the anticipated schedule for the project.

- Bid Period May 11, 2015 to June 3, 2015
- Mandatory Pre-Bid Meeting Wednesday, May 27, 2015 at 11:00 am
- Bid Opening Wednesday, June 3, 2015 at 11:00 am
- Anticipate Award of Contract Monday, June 8, 2015

**Recommendation:** It is staff's recommendation that the City Council:

1. Approve the plans and specifications for the Police Department Lobby, Interview Room and Flooring Rehabilitation; and
2. Authorize staff to solicit bids for the construction of the project.

Mayor Pro Tem Aceituno pulled Consent Calendar Item No. 9 for separate discussion.

Mayor Pro Tem Aceituno inquired if General Funds or Asset Forfeiture funds would be used for this project.

City Manager Wagner advised that this project is in the budget under the Capital Improvement Program because of the much needed upgrades to the infrastructure of the Police Department.

Chief of Police Barnes added that Asset Forfeiture funds have been set aside to fund the entire project including the contingency.

City Manager Wagner explained that City is limited by law on what projects Asset Forfeiture can be used, however staff uses Asset Forfeiture funds as opposed to using General Funds when possible.

A motion was made by Mayor Pro Tem Aceituno and seconded by Councilmember Mendoza to:

1. Approve the plans and specifications for the Police Department Lobby, Interview Room and Flooring Rehabilitation; and
2. Authorize staff to solicit bids for the construction of the project.

Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez  
NOES: None  
ABSENT: None  
ABSTAIN: None

#### **10. LOCAL COMMISSIONS APPOINTMENTS LIST**

The local appointments list includes the Bell Gardens Commissions and Commissioners. The City Council adopted Ordinance No. 825 on July 13, 2009 which consolidated the existing City Commissions and established minimum requirements for service. It should be noted that all Commission Members must reside within the City of Bell Gardens and may only serve on one Commission at a time. Once appointed, each Commissioner must adhere to the requirements of the City's Conflict of Interest Code and state-mandated AB 1234 ethics training. Ordinance 825 allows each Council Member to nominate one (1) candidate per Commission, subject to the approval of the Council majority. The appointed Commission Member will serve a term that coincides with the term of the Council Member who made the original nomination. Once appointments are made, the City Council will recognize all outgoing and incoming Commissioners. The new members will receive their Oath of Office and will begin service with their respective Commission at the next regularly scheduled Commission meeting. The City Clerk's Office will arrange for the proper filing of Conflict of Interest Code paperwork and schedule AB 1234 ethics training.

**Recommendation:** It is staff's recommendation that the City Council receive and file the local commissions appointments list.

A motion was made by Councilmember Flores and seconded by Mayor Rodriguez to receive and file the local commissions appointments list. Motion carried by a vote of 5-0.

AYES: Flores, Mendoza, Pulido, Aceituno, Rodriguez  
NOES: None  
ABSENT: None

**DISCUSSION (Item No. 11-12)**

**11. APPROVAL OF PLANS AND SPECIFICATIONS AND AUTHORIZATION TO SOLICIT BIDS FOR THE CITYWIDE ILLUMINATED STREET NAME SIGNS REPLACEMENT PROJECT**

The Fiscal Year (FY) 2014-2015 Capital Improvement Program (CIP) budget includes \$360,000 of funding for the completion of the Citywide Illuminated Street Name Signs Replacement Project. The design and construction documents for this project were completed in FY 2014-2015. The scope of work consists of replacing all of the City's internally illuminated street name signs on the traffic signal poles. The total number of working days for this project is 90 days which includes 75 days for procurement of the signs (design, building and delivery) and 15 days for installation by contractor. The engineers cost estimate including a 5% contingency is \$299,670. Pursuant to Article 5 Section 15061 of the CEQA Guidelines the proposed project has been reviewed to determine whether or not it is exempt from CEQA. The proposed project will not involve or affect any sensitive environments or habitats, scenic resources, historical buildings, historic resources or any hazardous waste sites. Therefore, under Article 5 Section 15061(c), it has been determined that the project is exempt from CEQA pursuant to categorical exemptions. As a result, a Notice of Exemption will be filed and recorded with the Los Angeles County Clerk. Upon authorization by the City Council, staff will proceed with the bid phase of the project. Below is the anticipated schedule for the project.

- Bid Period May 12, 2015 to June 3, 2015
- Bid Opening Wednesday, June 3, 2015 at 11:00 a.m.
- Anticipated Award of Contract Monday, June 22, 2015

**Recommendation:** It is staff's recommendation that the City Council:

1. Approve the plans and specifications for the Citywide Illuminated Street Name Signs Replacement Project; and
2. Authorize staff to solicit bids for the construction of the project.

City Manager Wagner gave an introduction on Discussion Item No. 11.

Director of Public Works Chau Vu gave the PowerPoint presentation.

Mayor Pro Tem Aceituno inquired if the overhead street lighting will also be improved with LED lighting.

Public Works Director Vu stated that this project is for street name signs only. Street lighting is not being proposed at this time due to the significant costs.

City Manager Wagner added that the City is studying this possibility for the future, however it is currently cost prohibited.

Aceituno pointed out that a Southern California Edison representative was in the audience and suggested he donate funds to help the City become more energy efficient.

City Manager agreed that if Ron Garcia donated the light fixtures on behalf of Southern California Edison, the City would certainly look into it. He explained that the street lighting is part of lighting district that residents pay through their property taxes and it would be a long and costly process to upgrade all the street lighting.

Public Works Director Vu added that Measure R funding is being used for this project and only new street improvement projects qualify.

Councilmember Flores asked about the timeline to install the new street signs and how expensive would it be to replace the street lighting with LED.

Public Works Director Vu advised that the new street signs would be installed 90 days after the project is awarded and explained that LED technology last longer than the current technology plus approximately 30% in savings in energy costs over time.

City Manager Wagner explained that Council is being asked to approve the plans and specifications tonight to solicit bids for the replacement of the signs. It is estimated that the total cost will be \$300,000.

A motion was made by Mayor Pro Tem Aceituno and seconded by Councilmember Flores to:

1. Approve the plans and specifications for the Citywide Illuminated Street Name Signs Replacement Project; and
2. Authorize staff to solicit bids for the construction of the project.

Motion carried by a vote of 5-0.

**12. CITY OF BELL GARDENS ACCEPTANCE OF TITLE TO GOVERNMENTAL PURPOSE PROPERTIES FROM THE SUCCESSOR AGENCY TO THE FORMER BELL GARDENS COMMUNITY DEVELOPMENT COMMISSION**

On February 1, 2012, the CDC was dissolved by way of AB 1x26 and the California Supreme Court's ruling in *California Redevelopment Association v. Matosantos* (2011) 53 Cal. 4th 231. AB 1x26 (as subsequently amended by AB 1484, the "Dissolution Act") created a "successor agency" for each dissolved redevelopment agency which, in this case, is governed by the City. The Successor Agency is a separate and independent public entity from the City, and its assets and liabilities are distinct from the City's. (§ 34173(g).) Upon dissolution, all of its assets and real properties were transferred to the control of the Successor Agency for management in accordance with Dissolution Act mandates. (§§ 34173(b), 34175(b).) This includes the Properties. The Dissolution Act contains several inter-related provisions regulating and authorizing the disposal CDC assets for "governmental purpose," which are those properties "used for a governmental purpose, such as roads, school buildings, parks, police and fire stations, libraries, and local agency administrative buildings..." (§ 34181(a)). On February 9, 2015, the Successor Agency approved Resolution No. 2015-02 finding and declaring that the Properties are governmental purpose and authorized the transfer of the Properties to the City, upon Oversight Board and Department of Finance ("DOF") approval. The properties transferred under Successor Agency Resolution No. 2015-02 pursuant to Health and Safety Code section 34181(a) are as follows:

- Fire Station # 39, APN # 6358-005-905;
- PD Parking Lot, APN # 6358-005-906; and
- Bell Gardens Neighborhood Youth Center, APN # 6328-016-900.

On February 26, 2015, the Successor Agency's Oversight Board considered the Successor Agency's transfer of the governmental purpose transfers per the requirements of the Dissolution Act. The Oversight Board unanimously approved the transfer of the Properties as evidence by Oversight Board Resolution No. 2015-03. Subsequently, the Successor Agency's governmental purpose property transfer was then submitted to the DOF on March 4, 2015 for its consideration and approval per the Dissolution Act. On April 17, 2015, the DOF informed the City that it had approved the transfer of the Properties to the City. A copy of the DOF's April 17<sup>th</sup> letter is attached hereto as Attachment "A." The Successor Agency's transfer of the Properties went into effect upon the DOF's written approval.

**Recommendation:** Staff recommends that the City Council adopt City Council Resolution No. 2015-35 accepting title to the transfer of the following governmental purpose properties from the Successor Agency to the former Bell Gardens Community Development Commission:

- Los Angeles County Fire Department Station # 39 ("Station # 39"), APN # 6358-005-905;
- Bell Gardens Police Department North Parking Lot ("PD Parking Lot"), APN # 6358-005-906; and
- Bell Gardens Neighborhood Youth Center ("Youth Center"), APN # 6328-016-900. (Collectively referred as the "Properties")

City Manager Wagner gave an introduction on Discussion Item No. 12.

Community Development Director Abel Avalos gave the PowerPoint Presentation.

Mayor Pro Tem Aceituno requested a status update on the remaining RDA properties.

City Manager Wagner stated that a report will be prepared. This is a complex matter that staff has been handling on a daily basis to maintain and preserve the properties and the City Council will receive a report on the progress.

A motion was made by Councilmember Flores and seconded by Mayor Pro Tem Aceituno to adopt Resolution No. 2015-35 accepting title to the transfer of the governmental purpose properties from the Successor Agency to the former Bell Gardens Community Development Commission. Motion carried by a vote of 5-0.
