ARTICLE XVIII. FIELD TRAINING OFFICER

Section 1. The FTO program is separate and distinct from the Senior Officer Program provided for in Article 22 of this agreement. The FTO program is to be governed solely by this Article.

Section 2. Whereas the usual and customary duties of a Senior Officer include, but are not limited to, serving as an acting sergeant and as needed, as field training officer, those individuals designated pursuant to this Article as an FTO, shall have usual and customary duties relating to performance of patrol functions and provision of academic and practical training to and oversight of those sworn personnel assigned for such instructional purposes by management.

Section 3. On an as-need basis to be determined in the sole discretion of management, solicitation shall be made for the assignment of FTO.

Section 4. The minimum qualifications which shall be held at the time of an individual making application for an FTO assignment are:

- a. Minimum cumulative three (3) years of service as sworn police officer in the employ of a California law enforcement agency as a Penal Code §830.1 officer.
- b. Shall have successfully completed any Bell Gardens-mandated sworn peace officer probationary testing period.
- c. All performance evaluation reports issued by the Bell Gardens Police Department (whether annual, quarterly or otherwise) shall in all measured protocols reflect a minimum "Satisfactory" evaluation.

Section 5. Qualified applicants shall then be subject to evaluation by an Oral Board consisting of three (3) field services supervisors (sergeant or above) appointed to the Board by the Field Services Division Commander.

- a. The Oral Board shall in its independent judgment, determine the nature of questions relevant to the Field Training Officer assignment, and may at the Board's sole discretion, require applicants to demonstrate proficiency in the practical application of Department equipment and/or in practical ability to perform the duties of the FTO assignment.

b. The principal criteria to be employed by the Oral Board in determining whether or not an FTO applicant is qualified to perform in the assignment are:

1. Knowledge and understanding of applicable Code sections, City/Department rules, regulations and orders;
2. Demonstrated commitment to the goals, objectives and mission statement of the Police Department;
3. Exemplary disciplinary history;
4. Exemplary attendance history;
5. Demonstrated ability to serve as role model and to be perceived as such by trainees;
6. Exemplary demonstrated ability to successfully teach and train.

Section 6. Those applicants deemed by the Oral Board to be "qualified" to successfully serve in the assignment of FTO, shall be included in alphabetical order on an FTO eligibility list.

Section 7. The Field Services Division Commander shall be authorized to assign any individual on the eligibility list to an FTO assignment, without following the alphabetical order of listing. In making FTO assignments, the Field Services Division Commander shall give consideration to the needs of any particular trainee, availability of the FTO eligible individual, and the shift to which a trainee is assigned.

Section 8. Inclusion upon an FTO eligibility list does not ensure appointment to the assignment.

Section 9. The number of individuals simultaneously assigned to the FTO position shall be determined in the sole discretion of management; based on Department needs. However, in no case shall more than eight (8) Field Training Officer assignments be simultaneously staffed.

Section 10. Any officer performing as an FTO on the effective date of the Addendum to Fiscal Year 2004-2007 Memorandum of Understanding shall, at the discretion of management, continue to serve in that assignment until an FTO eligibility list is created as set forth in Section 6, above. Therefore, when the FTO eligibility list is created, all pre-existing FTO assignments shall be immediately vacated. Any pre-existing FTO may then participate in the above described FTO application process, and may be thereafter assigned to FTO status pursuant to the provisions of this Article. The former FTO shall no longer be eligible to receive the ASSIGNMENT INCENTIVES provided for in this agreement. All represented employees acting as an FTO at the time of the Addendum to Fiscal Year 2004-2007 Memorandum of Understanding shall individually enter into an agreement waiving any right or option the individual may have pursuant to the Government Code § 3304(b) or pursuant to any other

statutory or case law authority, to appeal loss of the incentive compensation.

Section 11. Individuals assigned as FTOs pursuant to the Addendum to Fiscal Year 2004-2007 Memorandum of Understanding are eligible to seek assignment to what the Department may define as a "specialty assignment." If selected to perform in said "specialty assignment," and if appointment to the specialty assignment provides for a base salary increase while so assigned, the specialty assignment base salary increase shall be in lieu of the base salary increase being paid to the applicant by virtue of being assigned to an FTO position.

Section 12. Upon assignment out of the "specialty assignment," the former FTO shall be restored to the FTO eligibility list (should one exist) if the former FTO has maintained all qualifications rendering the individuals eligible to have applied for an FTO assignment pursuant to the Addendum to Fiscal Year 2004-2007 Memorandum of Understanding. Such an individual restored to an FTO eligibility list shall then be subject to assignment from that list in the manner provided by the Addendum to Fiscal Year 2004-2007 Memorandum of Understanding for initial assignments to an FTO position. FTO compensation shall not be paid to the former FTO and special assignee, unless or until appointed from an existing FTO eligibility list.

Section 13. Upon being appointed to an FTO assignment, the officer shall be required to maintain all training and other certifications which are a necessary condition precedent to having been appointed to the FTO position and/or to maintain that appointment.

Section 14. Upon being assigned from an eligibility list as an FTO, the officer shall receive a 2.5% unadjusted base salary increase during each payroll period so assigned. In view of the officer having to maintain the necessary training and other qualifications which are conditions precedent to being assigned as an FTO, an individual assigned from an eligibility list shall continue to receive the 2.5% unadjusted base salary increase regardless of whether or not a trainee is assigned to the FTO during any given payroll period.

Section 15. The FTO position is an assignment and not a classification. All appointees to an FTO shall individually enter into a contractual agreement with the Department, addressing their administrative appeal rights (if any) regarding reassignment and/or loss of FTO-related compensation.

Section 16. At the sole discretion of the Police Chief, one or more FTO assignments can be eliminated, and if eliminated, with the attendant loss of the 2.5% unadjusted base salary increase. In the case of one or more FTO assignments being eliminated, the last individual assigned to an FTO position, shall be the first individual to be

reassigned upon elimination of an FTO assignment, with this methodology being utilized in any additional situations where removal from a FTO assignment is caused by elimination of that assignment.

ARTICLE XIX. ASSOCIATION DUES

The City shall collect, through payroll deduction, Association dues as established by the Association from those who voluntarily elect the dues deduction. The City shall be held harmless by the Association in performing this responsibility.

ARTICLE XX. MAINTENANCE OF BENEFITS

Except as specifically provided for herein, all benefits, other than direct wages, which are in existence at the commencement of this Memorandum of Understanding, shall not be diminished, lessened, or reduced for the duration of this agreement.

ARTICLE XXI. PERSONNEL RULES AND REGULATIONS

Section 1. The Personnel Rules and Regulations adopted by the City of Bell Gardens on June 24, 1991, are incorporated herein by reference, and shall continue to govern and the Drug Policy adopted by the City of Bell Gardens on June 24, 1997, are incorporated herein by reference, and shall continue to govern; provided that any changes to such policies which may be proposed by the City are subject to meeting and conferring to the extent required by law.

Section 2. Additionally, a maximum of two (2) detectives as described above who are in said on-call status, shall receive compensation (either cash or compensatory time off at the election of the employee) as a result of being in an on-call status, in the amount of two hours per day calculated at 1.5 times the affected detective's base hourly rate while in said on-call status. However, at no time shall the total exceed 6 hours at time and a half in any workweek. Said monies shall be subject to accumulation and use in accord with existing policies and procedures governing accumulation and use of overtime compensation.

ARTICLE XXIII. SENIOR OFFICER PROGRAM

A. Purpose:

The Senior Officer program is designed to recognize Police Officers who proactively support the Bell Gardens Police Department's Community Based Policing philosophy and embrace a leadership role within the Department. The Senior Officer program will provide operational and supervisory support to Police Management while preparing assigned Officers for career advancement within the Department.

B. Compensation:

Police Officers who are assigned to Senior Officer assignment shall receive extra compensation in an amount equal to 7.5% of the top step base salary for Police Officer.

C. Duties and Responsibilities:

The usual and customary duties of a Senior Officer shall include, but are not limited to, serving as a mentor, field training officer (FTO), and/or shift supervisor (and any related duties) under the direction of a Sergeant or absent a Sergeant. Senior Officers will be expected to take a leadership role in the development of patrol personnel and problem solving related to crime and quality of life issues in the community, while utilizing a Community Based Policing approach.

D. Assignment:

1. Senior Officer is a special assignment, not a classified position. The City authorizes up to a maximum of six (6) Senior Officers at one time.
2. Senior Officers shall have their seniority set forth by their appointment date to the assignment, after the initial selection process is completed. Any existing personnel assigned to a Senior Officer assignment consistent with the previous MOU, will not be required to participate in the initial selection process for an assignment under this amended program, and are hereby grandfathered in to the new Senior Officer program. It is recognized that one (1) Police Officer currently fits this criteria.
3. The Department intends to assign four (4) Senior Officers to Field Services and two (2) Senior Officers to investigation units (one in GIU and one in SIU). A Senior Officer assigned to a detective assignment **will not** be entitled to the additional 7.5% compensation, given the 10% compensation already in place for a detective assignment. Senior Officers assigned to a detective assignment will remain in the assignment for a period of no more than three (3) years. Upon returning to Field Services, they will retain their Senior Officer status and begin receiving 7.5% compensation in lieu of the 10% compensation for a detective assignment.

4. For only the initial selection process of Senior Officer, it is understood that only one detective will be assigned to each investigations unit. It is also understood that both of these units have unique and specific needs for assigning or retaining experienced personnel. Therefore, if no one currently assigned to a detective assignment in either GIU and/or SIU is selected for a Senior Officer assignment, it will be necessary to remove one detective from either or both units so that one Senior Officer can be placed in that unit. If this occurs, removal of a detective from their respective investigations unit will occur as follows: In GIU, the detective who has been in the assignment longest will be returned to Field Services; In SIU, the detective most recently assigned to the unit will be returned to Field Services.
5. If multiple detectives in the same unit are selected to a Senior Officer assignment, removal from their respective investigations unit will occur as follows: In GIU, the detective(s) having the longest tenure in the unit will be returned to Field Services. In SIU, management will reserve the right to select which detective will remain in the unit. All other detectives in that unit will be returned to Field Services, unless they choose not to accept the Senior Officer assignment and wish to remain in the unit. If this occurs, they will not be placed on the eligibility list and required to test during a future selection process. The Chief of Police will then utilize the eligibility list to select a Senior Officer assignment based on the "Rule of 3".
6. The Senior Officer in GIU and SIU will be assigned to the detective assignment for no longer than a three (3) year term. Therefore, the Senior Officers that remains in their respective unit(s) will only be permitted to finish out their existing term. By way of illustration, a detective who has been assigned to their respective investigation unit for two (2) years and accepts a Senior Officer assignment will have one (1) year remaining on the detective assignment.
7. Any detective removed from a detective assignment and placed in Field Services as a result of the initial selection process for Senior Officer, will be required to apply and test for any future specialty assignment available in either investigations unit. Only Senior Officers assigned to Field Services may apply to a vacant Senior Officer detective assignment in GIU or SIU, but will not be permitted to apply for any other non-Senior Officer detective assignment, unless they choose to rescind their status as Senior Officer.

E. Qualifications and Selection Process:

1. Applicants for Senior Officer must have completed three (3) years of continuous service as a sworn Police Officer in a P.O.S.T. certified agency, with a minimum of two (2) years of service as a sworn Police

*** Each essay will be scored and ranked based on the following criteria: Structure, Grammar, Composition skills, Spelling and Decision Making. ***

Step 5. Applicant must participate in an oral interview by a (3) person panel, consisting of (1) one Lieutenant and (2) Sergeants. The panel will interview each candidate and rank them by the following criteria: Training / Experience, Commitment, Leadership, Decision Making / Judgement, and Communication / Interpersonal Skills.

The final ranking will incorporate both the averaged ranking from the scored written essay and the oral (3) panel interview. For the purposes of establishing the eligibility list for this assignment, the components of the selection process will be weighted as follows:

* Written Essay: 50%

* Oral Interview: 50%

4. The highest ranking applicants on the eligibility list will be considered to a Senior Officer assignment, and shall have their seniority in the Senior Officer program set based on their date of appointment. The Chief of Police will select assignments at his/her discretion from the eligibility list. The Chief of Police may refer to an applicant's personnel file or any other department files that document the applicant's qualifications based on the aforementioned criteria.

5. Applicants not selected for an assignment will remain on an eligibility list which will expire (1) one year from the date that the list is established and be utilized to fill vacant positions that occur during that time period. The Chief of Police will select subsequent assignments at his/her discretion from active eligibility lists. Any selection process that occurs after the expiration of this first eligibility list will utilize the selection procedure currently in place for Police Department assignments as indicated in Section D (5).
6. Assignment to Senior Officer is desirable, however not a requirement, for appointment to the classification of Police Sergeant.
7. 'Seniority' - Seniority would be based on **DATE OF APPOINTMENT**. If more than one Senior Officer is selected then 'Seniority' would be determined based on final test scores then by badge number.

F. Shift Selection

1. Senior Officers will select their respective patrol shift every six (6) months consistent with how patrol shifts are currently selected. One (1) Senior Officer will be assigned to each of the four (4) patrol shifts. They will only be permitted to select from one of those four (4) shifts. Shift selection for Senior Officers assigned to Field Services will rotate by Date of Appointment.
2. One Senior Officer will be assigned to a Specialized Unit (General Investigations Unit and / or Special Investigations Unit) for 2 or 3 years at the discretion of the Chief of Police. Senior Officers may submit a 'Memorandum of Interest' in order to be considered for a Specialized Assignment. Senior Officers will be assigned based on departmental needs and at the discretion of the Chief of Police. Once a Senior Officer leaves the specialized unit and returns to Field Services, that Senior Officer will be placed in the shift selection according to their seniority level within the overall Senior Officer group.

G. Limitations

1. The Senior Officer assignment has no term limit; however, a Senior Officer may be removed from his/her assignment at the discretion of the Chief of Police for failure to meet the standards and expectations of the program contained in this Article. Senior Officers will be evaluated annually, consistent with current policy and procedure for City employees. If a Senior Officer is removed from this program for failure to meet standards and expectations of the program, they will be afforded appeal rights consistent with City personnel rules for an appeal process.
2. Senior Officers performing the duties of an FTO **will not** be entitled to additional compensation afforded an FTO in a non-Senior Officer assignment. Current paid FTO assignments will be reduced from eight (8) to four (4) in lieu of this amended program.

3. If at any time a Senior Officer is placed into a schedule as supervisor of a patrol shift absent a sergeant for a period of 30 days or longer, he/she will be entitled to additional compensation in accordance with City Personnel Rules related to an employee serving in a supervisory role for a specified time period.
