

Public Notice and Posting City of Bell Gardens

The City of Bell Gardens, in keeping with its ongoing efforts to serve all members of the community, is updating its Americans with Disabilities Act (ADA) self-evaluation and transition plan. The accessibility plan provides a comprehensive plan for access for individuals with disabilities to City facilities, parks, programs, services, activities and events.

The City of Bell Gardens is seeking input from agencies, organizations and individuals with disabilities. As an agency, organization or individual, the value of stakeholder input will help to address and prioritize current and future needs. Individuals who would like to provide input are invited to complete a survey, call or email the ADA/504 Coordinator. Surveys are available for organizations that represent individuals with disabilities, patrons, community members, employees, and other interested individuals who wish to participate in the evaluation.

Your comments and opinions are important to us and will provide valuable information regarding how the City of Bell Gardens can better serve individuals with disabilities. Surveys are available from the City's ADA/504 Coordinator and on the City's website at www.bellgardens.org.
