

# I-710 & Florence Avenue Interchange Improvement Project

EDUCATE • EMPOWER • ENGAGE  
**Cristina Garcia**  
ASSEMBLYMEMBER • DISTRICT 58

## About the Project

Caltrans, in partnership with District 58 Assemblymember Cristina Garcia, proposes to implement pedestrian and bicyclist improvements at the Interstate 710 (I-710) and Florence Avenue interchange. With introductory remarks from Assemblymember Cristina Garcia and Caltrans District 7 Director Tony Tavares, Caltrans staff will listen to your ideas and suggestions, as well as present some recommendations to improve safety and accessibility at the freeway ramps including, but not limited to, shorter crossings, more signage and roadway markings, lighting, and beautification.

## What are the benefits?

- Create a more welcoming and comfortable space for community members to walk and bike
- Increase driver awareness of people walking and biking while crossing the freeway ramps
- Increase safety and accessibility for all roadway users

Please join us for a meeting to provide your input on what you would like to see improved at the I-710 & Florence Avenue interchange!

## Community Meeting Details

### When:

Wednesday, March 16, 2022  
6:00pm-7:00pm

### Where (In-person, Virtual, by Phone):

Bell Community Center  
6250 Pine Ave, Bell, CA 90201

### Virtual Webex Meeting
